U S

Proimi has been handcrafting high quality furniture for over 30 years. Over that time we have carefully listened to our customers, creating collections that are unique and portray a natural expression that only hand made furniture can provide. Every piece we create for our customers exudes natural beauty in their homes.

The materials that Proimi uses are selected with you, our customer in mind. Sunbrella fabrics, rehau weaves and high quality teak stand out in our collections. We know your life is unique, and that is why we are flexible in our production , to match your lifestyle. As a customer, you are entitled to exactly what you desire. Our production facility prides itself on creating custom arrangements to satisfy even the most demanding clients.

Our commitment to the customer's desires, the quality of our materials and our attention to detail have graced Proimi with a sterling reputation as a dependable furniture producer. We have grown into a prime resource for distributors and clients throughout Central America, USA and the Caribbean.

WHY YOU SHOULD CHOOSE PROIMI?

OVER 40 YEARS OF EXPERTISE.

By choosing locally crafted pieces, you not only bring home stunning designs but also support the skilled artisans and the local economy. Embrace the beauty of handcrafted furniture that not only enhances your space but contributes to the thriving community of artisans in Honduras.

WE ARE COMMITTED TO A GREENER TOMORROW.

Our dedication to the environment goes beyond words – it's reflected in every step we take. From sustainable materials to eco-friendly practices, we prioritize the planet in crafting our products. Join us on the journey towards responsible living. Choose furniture that not only elevates your space but also leaves a positive impact on the world we share.

WE PROMOTE HANDMADE.

Each piece is a testament to their dedication, preserving traditional techniques passed down through generations. By choosing handmade, you not only bring home exquisite craftsmanship but also support a legacy of skill and passion. Embrace the authenticity and unique character that only decades of experience can bring to your living spaces.

WE INNOVATE.

Innovation isn't just a choice; it's our commitment to crafting the future of comfort and style. Innovation allows us to anticipate and meet evolving consumer needs, ensuring our pieces are not just furniture but expressions of contemporary living. We create unique, functional, and sustainable solutions that elevate the way people experience their spaces. Join us on the journey of redefining comfort and style through the art of constant innovation.

OUTDOOR FURNITURE

Embrace the spaces of your living room. It's possible to get an airy and elegant feeling at the same time.

Choose the right pieces for you and bring calming and natural shades at the environment to create the feeling of relaxing spaces.

ADDITIONAL INFORMATION

HOW TO TAKE CARE OF YOUR FURNITURE?

The durability of our outdoor products matches their stunning aesthetics. Most of our collections require simple cleaning and basic care to be preserved.

Proimi Furniture is designed to resist sunlight, endure rain showers, and is suitable for complete outdoor use, including coastal spaces exposed to salty air.

Clean gently:

Dust your outdoor furniture regularly with a soft cloth. Never use paint thinners or abrasive creams to clean teak wood.

The aluminum structure, teak wood and synthetic weaves are mold resistant. One of the advantages of their synthetic properties is that it prevents any infestations.

Basic care for teak wood:

Teak wood is highly recommended for outdoor spaces, exhibiting resistance to rain, showers, sun, and pests. Being a natural material, it undergoes natural aging over time. Preserving its natural color is easily achievable with a few drops of flax oil.

Fabrics:

Our acrylic and sunbrella fabrics are designed for sun exposure and light rain. Avoid using them in heavy rain or leaving the upholstery exposed to severe weather conditions. If the fabric gets wet, ensure thorough drying under direct sunlight.

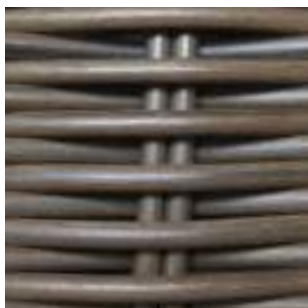

Additional tips

- Avoid harsh cleaners: Stick to gentle non- abrasive solutions.
- Wipe the teak with a soft cloth or sponge and mild soapy water to remove dust.
- Use coasters: place coasters under hot dishes or beverages to prevent heat marks on the teak surface.
